MIAMI CONFERENCE MUTUAL BENEFIT SOCIETY

For the constitution of this society you are referred to the Minutes of 1931. Members of this society pay $2.00 Mortality Assessment on the death of any member. The treasurer then pays the sum of $200.00 to the heirs of the deceased. There is an admission fee of $1.00 and the annual dues are $1.00. Any member who has paid into the treasury of the Society $200.00 is relieved from further payment of Mortality Assessments. All members of Miami Conference and their wives are eligible, and may become members by sending the admission fee to the Secretary. Payment from this society has been a great help in times of trouble, and membership is urged not only as a matter of protection but also of service. The society, in the forty-six years of its existence, has paid sixty-one death claims.

Conference Proceedings

WEDNESDAY MORNING SESSION

Rev. A. R. Clippinger, D.D., Bishop of the Central Area, called the one hundred and twenty-fourth session of Miami Conference to order in the Lagonda United Brethren Church, of Springfield, Ohio, Wednesday, August 23, 1933, at 9:35 a.m.

Dr. D. T. Gregory led in the invocation and then in praying together the Lord's prayer.

Dr. W. I. Underwood led in singing "Come Thou Almighty King."

Rev. A. J. Furstenberger read the parable of the wedding feast, from Matthew 22.

Dr. J. P. Landis led in prayer of joyful thanks and humble petition.

The conference sang, "Break Thou the Bread of Life to Me."

Bishop A. R. Clippinger, in introducing the communion service, spoke on "The Joyous Religion," using the text Matthew 22:12: "How came thou in hither, not having on a wedding garment?" "Only those who have clean and loving and joyful hearts have on the wedding garment. This communion service which reminds us of eternal love and the hope of the kingdom of God should be for us a feast of joy." He then read the communion lesson and led in prayer.

In the communion ceremony Bishop A. R. Clippinger presided. Dr. D. T. Gregory and Rev. C. R. Smith served at the table and the elements were distributed by Revs. Ralph Tinsley, Lewis Odon, R. V. Pelton, Walter Miranda, Roy Miller, C. E. Fryman, and Edgar Griffith.

"What a Friend We Have in Jesus" was sung.

Rev. W. C. Niswonger read the report of the Committee on Memoirs remembering Harlan L. Eakins, Mrs. Maud E. Miller, Prof. Raymond P. Dougherty, and Mrs. Elizabeth J. Wahl.

Rev. Harvey Clark, in a Memorial Address, spoke on "The Things That Are Not Seen." "We see so much that is temporal, we know so little of the eternal. Bibles wear out but the Word of God is eternal. The great reality is not what we have but what we are."

Bishop A. R. Clippinger added his word of personal appreciation, referring especially to Raymond P. Dougherty and Mrs. Elizabeth Wahl.

Dr. W. T. Frank led in prayer. The ministers' quartet sang "Home at Last."

The roll was called. Committees were announced as in the printed program.

A survey of the minutes of the meetings of the Council of Administration was read by Miss Ella Hamilton and on motion these minutes were approved.

The minutes of the Conference Board of Trustees were read by Rev. S. E. Rasey and approved with the understanding that the matter of insuring trustees is not final.

The regular circular pews of the church with the pulpit and choir platform were constituted the bar of the conference.

Rev. J. Gordon Howard expressed his joy at being present and asked to be excused to attend other conferences. A motion was made and carried instructing him to carry greetings to the White River Conference now in session in Indianapolis.

Bishop A. R. Clippinger read Deuteronomy 6:1-10 as a scripture lesson and gave his annual message, speaking on the theme, "Lest We Forget." "It is easy to forget. We forget our debts and remember those who are indebted to us. We forget our friends and we forget God and his goodness. We need reminders. Monuments, church spires, and special days are such reminders. Remembering progress cures pessimism and gives a spirit of hope and thanksgiving. The church last year showed the greatest gain made in any year for two centuries."

The conference sang "Blessed Be the Name."

Dr. D. T. Gregory read his report as conference superintendent, copies of which report were distributed to members of the conference. The congregation sang the Doxology after which the report was adopted.

He then gave a word of personal greeting in which he referred to his close and joyful fellowship with Miami Conference. "We must unite and go forward together as the army of Christ, waging war against a recrudescent nationalism, a reborn racialism, a new sectionalism and a great wave of moral retrogression."

Dr. D. T. Gregory responded on behalf of the conference, expressing joy in being in Springfield for this occasion and appreciation of the welcome and splendid effort for our entertainment by the local church. "We are happy and hopeful in our purpose as we face the tasks of today and the victory that is assured to the faithful."

Rev. M. D. Kidwell spoke on "Our Relation to Economic and Social Advancement." "There is a social gospel. Folks need to know and believe Jesus so much that conscience will compel righteousness in economic life. Read the Bible, pray, follow Jesus Christ in all human relationships. The Church should study its community, attempt to meet community needs, train folks in Christian convictions and attitudes, provide wholesome recreation, and win folks to saving knowledge of Jesus Christ and his way of life."

The benediction was pronounced by Rev. E. L. Smith.

THURSDAY MORNING SESSION

The conference sang "Revive Us Again" and "Holy Ghost with Light Divine."

Rev. Harvey Hahn read Psalms 103-104 and led in prayer.

The minutes of Wednesday were read and approved.

Bishop J. P. Spreng, of the Evangelical church; Dr. J. E. Comer, superintendent East Ohio Conference; and Dr. R. A. Powell, superintendent of Sandusky Conference were invited to the platform and introduced.

The report of the Board of Tellers on the ballot cast for conference officers was read by Rev. J. C. Goodrich. The report was adopted and the following were declared elected for the coming year: Recording secretary, O. O. Arnold; statistical secretary, C. W. Snyder; conference treasurer, C. B. Boda; trustee of Otterbein College, J. P. Hendrix; conference trustee, D. T. Gregory; stewardship secretary, Mrs. M. W. Mumma.

Bishop A. R. Clippinger expressed his joy and hope in the movement for union with the Evangelical Church and presented Bishop J. B. Spreng, of Naperville, Illinois, and Bishop Emeritus of that church.

Bishop Spreng told how he had been fraternal delegate from the Evangelical Church to the General Conference of the United Brethren Church at Fostoria, Ohio, in 1885. At that time he suggested as a possible name for a merged church: "The Church of Evangelical Brethren United in Jesus Christ." He told briefly of our remarkable likeness and our close fellowship. "There is doctrinal identity and so close a similarity in origin and policy that we have little excuse for being separate. My heart and soul are in this movement for union and I hope to live to see it accomplished."

The congregation stood and sang "Blest Be the Tie that Binds."

Bishop A. R. Clippinger thanked Bishop Spreng for his words of greeting and expressed again his hope for the achievement of this proposed union.

Reports of the Every Member Canvass in local churches were made by the district leaders. These reports showed commendable faithfulness in this important task.

Bishop A. R. Clippinger asked pastors to stand who had reason to believe their churches would be able to pay benevolences and current expenses in full for the coming year. Five pastors stood. He then asked those to stand who were reasonably sure of seventy-five per cent of their budget. Thirty-five pastors stood. He then asked those to stand who believed that one-half of their budgets would be paid. Ten stood. Twelve pastors stood stating that their churches had not put on the Every Member Canvass. Explanations and statements of purpose were given by these pastors.

Bishop A. R. Clippinger urged steady patient effort in the securing of money during the year from every available source. "Use kindness and afford many opportunities for offerings. The times call for great sacrifice and offer unusual joy in this sacrifice."

Rev. D. E. Gillispie, pastor of Otterbein Chapel, a rural church in Darke County, reported that in this church, in spite of farm debts and decreased income, four closed banks, and a tornado, they pledged more this year than a year ago.

This day has been named in the conference program "Every Member Day" and the slogan for the day is "To Every Man His Work."

Bishop A. R. Clippinger spoke on "Legislation of the General Conference." The most important act of the General Conference was the initiation of the movement toward merger with the Evangelical Church. Other important legislation included the following: (1) All general church officers' salaries were reduced twenty per cent. (2) Bonebrake Seminary was given a preferred claim of $50,000 per year out of the Benevolence Budgt, which is to be paid on the bonded debt of that institution, and is awarded $49,000 on a pro rata basis per year for the maintenance of the school. (3) Special offerings, aside from that for Otterbein Home are to count on the benevolence quota of

the local church. (4) The Board of Administration is charged with the task of study and work toward the consolidation of the church boards. (5) The purpose is expressed that in eight years a college diploma will be required of those who enter the annual conference ministry. (6) A new and more comprehensive reading course is required of licentiates.

Dr. D. T. Gregory spoke on "The Annual Conference's Opportunity and Responsibility." "We are asked to carry our share of the total benevolence budget of the church. This share for Miami Conference is $57,500. It is proposed to allocate this conference quota to local churches on the following five-fold basis: (1) Membership, (2) Sunday-school average attendance, (3) Benevolence Budget payments during the past two years, (4) Pastor's salary, (5) Total money for all purposes less the amount paid on debt. Each local church is asked to make faithful canvass and effort to cover this budget. When a single budget system is used the benevolences must be paid on a pro rata basis.

"We are given the privilege of counting special offerings on our benevolence quota. We should get information of dates for all special offerings and make intelligent and hearty appeal for these offerings. Let us now resolve that next year we will do better. Let us surpass ourselves."

Rev. W. N. Roberts suggested that we go on record as resolving firmly to do better in benevolences the coming year. This is with the understanding that it means that our regular benevolences shall be above that of the past year and that the special offerings shall be above this.

The congregation voted this pledge by a unanimous standing vote.

Bishop A. R. Clippinger led in a prayer of consecration.

Mrs. Mary Myers sang "A Prayer Perfect."

Doctor S. S. Hough, secretary of the Council of Administration, spoke on "Inspiring Every Member with a Will to Work." "There is a need for full council and free expression. We need to see through things and then see things through. The hour has come for stock taking and vision and higher resolve. We are re-discovering the joy of cross bearing.

"We have made remarkable progress but two-thirds of the church are inactive. Two-thirds of the people of America are not in the church. Two-thirds of the people of the world have not been reached by the Christian gospel. We must go further, but to go further we must go deeper. Where there is no quest there can be no conquest."

Doctor Hough showed how, through taking advantage of the opportunity for special offerings, the churches on a circuit could easily raise the full benevolence budget. Rev. L. B. Venatta pronounced the benediction.

Rev. M. I. Webber, director of Adult Work in the Department of Christian Education, spoke on "Inspiring the Membership Through Christian Education." "This is the day of crises and hard problems but a wonderful day in which to live and serve. The world is filled with great human needs. The church exists not to save or build itself but to serve and save the world.

"America is full of folks, beaten and baffled and lost until they find life and truth in Jesus Christ. We face the task of rebuilding human personalities around the personality of Jesus Christ. There has been in America in the last twenty-five years a lowering of standards in moral and spiritual life. We need today a courageous, militant spirit to fight against sin, that comes into the community and even into the church. The church needs a new birth, Christian education must be permeated and vitalized with the spirit of Christ. It must be centered in and controlled by his personality.

"We should study the goal and program for this year and the quadrennium. The book, 'Effective Christian Education in the Sunday School,' by Bishop I. D. Warner, should be studied in classes and the home. Make this your handbook for the year. Plan to attend the National Adult Convention at Dayton, Ohio, November 8 to 10."

A resolution was presented and passed pledging our support to the National Adult Convention.

He then expressed his joy in the privilege of returning for the fourth quadrennium of service as bishop of the Central Area. He praised the conference for the fine spirit manifested and called us to go forward with firm purpose and high hope,

to stand true and serve faithfully. He expressed his concern and deep sympathy for many churches and pastors in these times and urged patience, kindness, and faith. "This is not time to rock the boat. Everything calls us to be calm and courageous. Let us stand by and stand by each other."

Dr. F. L. Dennis thanked the conference for the fine fellowship he has found here through the years. He gave to Bishop Clippinger high tribute as predecessor in the pastorate, superintendent, bishop, friend and man. He also spoke words of appreciation of Dr. D. T. Gregory.

The following were introduced: Revs. M. R. White, M. B. Holcomb, L. H. Hamshire, J. E. Gibson, of Southeast Ohio Conference; F. B. LeFavre, of Montana Conference, and T. H. Ottwell, of the Methodist Church.

The order of the day was a special service honoring Rev. J. Assel, who is now a member of this conference after years of service in the Ohio German Conference.

A quartet from the Otterbein church in Dayton, consisting of George and Harold Mayer, Mrs. Catherine Nash and Miss Ruth Friesinger with Miss Ethel Reiniger at the piano, sang in German, "Seele, Auf Ich Will's Rerkunden."

The congregation sang, "Tell me the Old, Old Story."

Bishop A. R. Clippinger led in prayer.

The conference stood, greeting the wife, son, and daughter of Rev. Assel as they entered.

The Otterbein church quartet sang "When They Ring the Golden Bells."

Bishop A. R. Clippinger spoke of his memory of notables of the United Brethren Church. He remembers Bishop Glossbrenner, Bishop Weaver and all the Bishops from that day to this; W. J. Shuey and Daniel Berger who came from the Lagonda church, and many other worthies of the church and of Miami Conference. He said that Rev. J. Assel was one of the first men of the Ohio German Conference known to him.

To Brother Assel, the Bishop then said, "You have had an enviable record of fifty-four years of unbroken service in the Christian ministry. You have had an even temper and a kindly heart. These have made you of great value to your friends and to the Church."

He presented to Rev. Assel a collection of letters carrying expressions of love and appreciation from ministerial friends and associates.

The congregation stood honoring Rev. Assel. He said in part, "This is an unexpected kindness. The quartet brings happy memories of nine years' service as pastor of the Otterbein church.

"I alone am left of the ministers of the period when I joined the Ohio German Conference. I served Circleville and Chillicothe in 1867 and 1868, then Union Circuit for two years; Hamilton, Greenbush, and Germantown for three years; Veedersburg, Indiana, for three years, a hard field and a divided church; Danville, Illinois, for three years, a fine congregation; Cleveland Third Church for ten years, the best years of my ministry; Otterbein church, Dayton for six years, during which we had a great revival; Cincinnati First church for five years, then Otterbein Dayton again for three years and Zanesville, Ohio, for four years. Then I served Chicago, Illinois, for three years. This was a man's job. I retired for one year then served Cincinnati Second for nine years down to date. I am leaving this work this year with kindly feeling and hearty appreciation of the joy and privilege of service as a minister through these years.

"I do appreciate the love and kindly spirit of Miami Conference; the friendship and capable leadership of Jesus Christ. Preach Jesus Christ. He can save the world; nothing else ever will."

TO REV. J. ASSEL

You have a wealth
Far greater than gold,
A glad, sweet spirit
As you grow old.

You show a life
Of love and grace,
In the light that glows
In your kindly face.

You have a pleasure
That never ends,
The friendly memory
Of friends.

You have a treasure
For life above,
A heart of faith
And a life of love.

And so today,
Friends old and new,
Congratulate
And honor you.

August 25, 1933.

"The Seminary is an arrangement for doing cooperatively an essential part of the work of the local church in Christian education. Civilization is sick. We need new moral and spiritual forces, we have developed a dangerous materialistic philosophy of life. The secular has outrun the sacred. We must relearn the importance and meaning of spiritual living and accept the responsibility for training in spiritual and moral truth and value. When we realize this, we gladly and heroically support Bonebrake Seminary."

At the close of his address Dr. Harris thanked Miami Conference for their loyalty to the Seminary and for the kindly spirit of sympathy and goodwill toward him during his years of service as its President.

Dr. F. L. Dennis read the report of the Seminary Commission. Dr. D. T. Gregory spoke to this report. He said: "Bonebrake Seminary lies close to my heart. The greatest blow that could come to the United Brethren Church would be to fail in the support of this institution. I hope that every church will have a part in our cash day offering this coming October and that every church will secure an offering on this day equal to fifteen per cent of its benevolence quota. This offering counts on the benevolence quota. We ought to do this. We can and we will."

Bishop A. R. Clippinger urged every one to faithful effort in this enterprise and called on the ladies of the conference to help in the Ladies Auxiliary of Bonebrake Seminary. Units of this Auxiliary may be organized in any local church. Individuals may join on payment of twenty-five cents dues and classes on payment of five dollars annually. He then named Mrs. G. T. Reports Relating to Conference Administration

SUPERINTENDENT'S REPORT

To the Bishop, Pastors, Delegates and Friends of the Miami Conference;

Greetings:

This report makes no pretense of covering in full the vast scope of work done by our pastors and active lay-workers of the Church during the year. It simply summarizes some of the outstanding features of our task in order that these may become the foundation upon which we shall stand as we face the demands of an oncoming tomorrow with its needs.

OUR MINISTERS

Eighty ministers were employed, giving leadership and oversight to the program. Of these, nine were students serving only part time. It has pleased our Heavenly Father to allow us to pass the year without a break in these ranks by death. To Him the gratitude of our hearts is given.

Shortly after adjournment of the last annual session, Revs. George Jacoby and J. D. Nisewonder resigned from the West Middletown and Sulphur Grove charges, respectively, and were appointed to the same fields in a mutually agreed exchange. Revs. W. H. Sinks and Lester Kauffman resigned the West Manchester and Potsdam charges, respectively, and were appointed to the same in a mutually agreed exchange.

In May, following the close of the school year, Rev. W. I. Comfort resigned at the Otterbein Home, and Rev. W. O. Ballinger was appointed to assume the duties thus laid down.

During the summer, Rev. Robert Wellbaum resigned the work at Greenbush where no appointment was made for the two months in accord with arrangements made by the district leader and the congregation.

Sickness, of a prolonged spell, compelled Rev. L. B. Venatta's absence from his pulpit for several weeks; but we are happy to have him return to health and active service again. Also, Mrs. Pelton and Mrs. Stockslager have been ill and confined to their homes much of the time. For these, our prayers have been offered frequently during the months.

TO THEIR CROWNING

Death removed from our midst during the year, Prof. Raymond P. Dougherty, Mrs. George Wahl, Maude B. Miller, and Harlan Aikens. Fuller mention of them and their fellowship with us is given in the messages of our memorial service. With their sorrowing loved ones our hearts go down into the valley of shadows, and to them our sympathy goes forth.

QUARTERLY LICENTIATES

The following are named by our district leaders as quarterly conference licentiates, with licenses having been granted or renewed during the year: Sylvester Johns, Cherry Grove; Walter Gackel, Mt. Airy; Stanley Forkner, George Oliver, Earl Winkler, High Street; Miss Martha McDonald, Lagonda Avenue; Phillip Deever, Fairview; James Reeder, First Church; Edward Niswander, Euclid Avenue; John Harvey, Charles Silver, Piqua; John Lemmon, Oak Street; C. H. O'Brien of Greenville, Walter Peck of Pleasant Ridge, and a lay license to John Burch, Piqua.

These figures will indicate to you that our average attendance at morning worship was thirty-nine per cent, and evening worship twenty-seven per cent of our resident membership; and at Sunday school it was fifty-seven per cent of the enrollment. By comparison you can determine whether your church or district measured up to the conference average. Similar comparisons can be made on other items tabulated.

PROMOTIONAL SESSIONS

Joint sessions of the Council of Administration and Trustees were held quarterly to survey what had been done, and to plan future operations.

District rallies, under the direction of Branch officers and the Board of Christian Education, were carried into all the districts last fall.

The Branch convention, at Brookville in April, led every soul present face-to-face with a serious consideration of our deeper and fuller consecration to the call of the Kingdom.

Those responsible for these signal victories are due our gratitude and deserve our fullest cooperation in the coming year.

A PERSONAL WORD

This report must carry a word of appreciation for the splendid manner in which our district leaders gave supervision to the work. No better and

more faithful men can be found anywhere. To them belongs much credit for the organized efforts with which we went forward to success.

Let me include a word of gratitude to our pastors and faithful workers in all our churches who have given remarkable support to all phases of the program. It was their one hundred per cent united effort that registered the victories.

Thanks also to Dr. J. B. Showers and the Otterbein Press for the gift of fifty Sanctuary Hymnals, and to our Conference Board of Christian Education for the gift of fifty American Youth Hymnals, which will be presented to the winning church and Sunday school on Friday evening.

Bishop Clippinger has been a constant friend and helper during the pressure of many items needing attention. Miss Ella Hamilton has given valued assistance as secretary of the Council of Administration. We are most grateful to these, and to all others who have helped in any way.

RECOMMENDATIONS

1. That Miami Conference set herself unanimously to the task of realizing the goals established by our recent General Conference. Miami is one of the large and strong conferences in the denomination, and we should be a source of encouragement to others, especially those far removed from this section where our church has comparable strength.

2. That the special days designated as "Inspirational and Educational Periods" and established for the whole denomination have our wholehearted support and consideration. These events can be made to have tremendous value in our local churches if properly promoted. See the schedule of same in the four-page leaflet "Another Four Years, 1933 to 1937."

3. That Evangelism be our dominant note all through the year; and that we seek to make it effective all through our program of Christian Education and Stewardship as recommended by the General Conference. The 1031 souls won to Christ and the Church last year from the Sunday school make a sufficient challenge to send any and every officer and teacher to the place of prayer and consecration.

4. That the Lenten season be held sacred for cultivating our people in the processes of prayerful and thoughtful worship, and for winning souls. Money put into the bank on interest will experience a growth of three per cent. Certainly the Church active and aggressive ought to anticipate at least a similar growth. Let us set ourselves to the program of three per cent annual growth during this quadrennium as our minimum standard, and then in faith and prayer move toward its realization for the glory of God.

5. That plans for the promotion of our policy and program, somewhat similar to those adopted for the past year and as printed on pages 46 to 48 of the conference minutes, be set for ourselves again the coming year.

6. That we seek, just as rapidly as possible, to get our men unified in a great Brotherhood tie-up. The victories of our women thus organized on a conference-wide scale indicate how great the possibilities are in definite and united effort as a conference.

7. That our Conference Trustees be authorized to study the possibilities of the following:

(a) The securing of insurance policies on certain leading persons connected with local church enterprises where the death of one or two may tremendously jeopardize the progress of the church; and that the cost of premium on said policy be borne jointly by the local church and conference boards, the policy being made payable to said boards.

(b) A bit larger cooperation with the General Ministerial Pension Plan during the coming year, and thus set ourselves toward a day when we shall realize more adequate support for our aged and disabled veterans of the Cross. We believe it is an imperative need in Miami Conference.

8. That the names of Revs. J. I. Phillips, Sylvester Johns, Stanley H. Forkner, George Oliver, Earl Winkler, and Edward Niswander be referred to the Committee on Conference Relations, they requesting admittance into the conference.

D. T. GREGORY.

COUNCIL OF ADMINISTRATION

Summary of Yearly Minutes

September 12, 1932; December 6, 1932; March 15, 1933; June 7, 1933; and June 22, 1933 were the dates of the five seasons of the Conference Council in the year just closed.

Reports from the Bishop, Superintendent, District Leaders, Conference Board of Christian Education, and the Miami Branch of the Women's Missionary Society reflect an optimistic spirit in the face of problems that give cause for grave concern.

In these five sessions, numerous items were presented for consideration, the following having been approved on motion, duly supported and voted:

1. That the Fall Institutes remain as planned (Sept. 30, Oct. 4, 5, 6, 7), and where conflicts with Church Night series in local churches occur, the educational leaders of these churches be urged to attend the Rally services if possible.
2. That Conference Minutes be put out gratis this year, 1000 copies of same to be printed.
3. That Beneficiary Aid be granted Robert Wellbaum.
4. That special days be promoted: Promotion and Rally Day in the Sunday school, Women's Day, Armistice Day, Home Missions Day, and Seminary Cash Day, and that a definite period of Stewardship study be planned by the churches, Mrs. Mumma as secretary having outlined plans for same.
5. That district quotas for Seminary remain same as last year, various pastors having been chosen to represent the Seminary interests in the District Rallies.
6. That the "Plans for Promoting our Policy Program" as prepared by Superintendent Gregory be adopted as a basis against which the conference will work, copies of these "plans" to be given each pastor and lay leader in the conference.
7. That, in harmony with Rev. Mumma's recommendation, Drs. Gregory and Dennis, Revs. L. M. Hohn, J. P. Hendrix and O. O. Arnold be on the Board of Publishers for the Miami Messenger.
8. That the Policy Committee's report, as adopted by the Conference Council, be placed in the Conference Minutes.
9. That a request be made of pastors to give more careful and diligent attention in the preparation of reports for their district leaders, and that due recognition be given all pastors who promptly assist their leaders in this matter.
10. That pastoral visits be counted by families (for example, a family has five members, a call at the home counts as one visit only, and not five visits; also, where two families live in the same home, and both are visited at the same call, such will be counted as two pastoral visits).
11. That where a pastor is called by a family to assist in a funeral, that same be counted in his reporting funerals conducted.
12. That mimeographed copies of that part of Dr. Gregory's report relating to promotional work in the local churches be sent each pastor.
13. That Covenant Cards connected with the period of fasting and prayer on the part of our denomination, and presented by Dr. Ziegler, be sent to the district leaders on the basis of one-third of average attendance at morning worship.
14. That Seminary offerings be given space in the Messenger, these offerings to date from June 20. Also, space be given to Otterbein Home offerings.
15. That we challenge ourselves by fixing certain goals for attendance in Sunday school and Worship.
16. That Easter be made one of the greatest events in our conference history by a concerted effort in all our churches for receiving members into church.
17. That, in view of the great work being done by our women, the Women's Missionary Branch convention be given proper emphasis in all our churches and an urgency for as large an attendance as possible.

18. That our people be urged to subscribe for the Telescope, and that the Publishing House be asked to make a special offer on the subscription price for a three-month period.

19. That the Every Member Canvass be postponed in all our churches until after we know the decisions of the General Conference as to our next year's program and plan; and that our people be asked to continue their contributions for the month of June on the basis of their present pledges.

20. That April be designated "Full Benevolence Quota" month, every church paying the monthly benevolence quota in full on Easter Day, special "Victory Offering" envelopes to be furnished free to all the churches.

21. That Euclid Avenue's method of putting out letters to those in attendance at Sunday school and church be used where possible, and where not feasible, take from the special offering funds sufficient to cover cost of mailing such letters.

22. That Rev. Paul Arnold be granted a letter of recommendation.

23. That Mr. C. A. Benzing be authorized to secure concert engagements for Otterbein Home musicians, at which concerts offerings could be lifted for the securing of bus license for these boys and girls.

24. That we request the return of the old notes from the Seminary, in view of our conference having more than paid its quota.

25. That for conserving space in the Messenger, pastors' supplementary reports be arranged with district reports.

26. That on allocation of Budget Quotas, the Superintendent's report, together with the findings of the district groups, be referred back to the conference superintendent and Council of Administration for further consideration. (See June 7 report).

27. That the matter of changing the time for the meeting of the annual conference (Tuesday August 22, closing Friday evening August 25) be taken up with the Committee on Program.

28. That $100 be appropriated on Reverend Furstenberger's salary, this to be on a pro rata basis.

29. That all reports must reach the district leaders by August 9, and in turn the Superintendent by August 13.

30. That the schedule on the five-fold basis be adopted, West Dayton district agreeing to relieve the Cincinnati and Southeast Dayton districts of $121¼ of their quotas under the new plan, by adding same to the normal quota of the West Dayton district.

31. That we authorize a conference-wide call for a thorough Every Member Canvass to be completed before annual conference.

32. That district leaders be instructed to figure local church quotas on the new five-fold basis, and send same to pastors, including a copy of the complete list to the superintendent.

E. F. HAMILTON, Secretary.

REPORT OF THE BOARD OF CHRISTIAN EDUCATION

To the Bishop and members of the Miami Conference assembled at Springfield, Ohio:

The program of Christian education organization under which we have been operating in Miami Conference had its beginning back in 1925 when the old conference Sunday School Association and the Conference Christion Endeavor Union united to form one conference organization. At first it went under the name of the Miami Conference Sunday School and Christian Endeavor Union, later under the name of the Miami Conference Christian Education Union. Our conference plan of Christian Education organization anticipated the denominational plan a whole quadrennium, so that when the General Conference of 1929 adopted the present program our work was right in line except for the changing of a few names of officers.

During the past four years the annual conference has been kind enough each year to elect the officers of the Christian Education Union to act as

the Conference Board of Christian Education. Now at the beginning of this new quadrennium it has seemed best to the officers of the Christian Education Union to allow that organization to lapse so that the conference may elect a Board of Christian Education in the way specified by the Discipline to take up the work where we have laid it down and to carry on under the disciplinary plan.

The past year has been a very gratifying one in our work of Christian education. Limited as we were by a lack of funds yet we believe that much has been accomplished. Our leadership training school at Xenia was said by many to have been the best ever. A large number of young people and adults took credit courses and many others sat in the classes and discussion periods. It is to be hoped that the new Board of Christian Education will see fit to carry on and enlarge this part of our work. The one disappointing thing about our training camp is the small number of pastors who participate. If, as we often say, the pastor is the key man in the work of the local church, then surely no one more truly needs the inspiration and training for a forward looking program of Christian education than the pastor.

May I recommend that the pastors of the conference give an even more hearty support to this vital matter than they have in the past and that the pastors feel that the leadership training camp of the conference is really an opportunity for them.

Further, it seems to the Board of Christian Education, since this board is now an intregal part of the conference and since to it are assigned many duties by the conference, that a modest appropriation should be made to the board to help carry on its work.

Respectfully submitted,

JOE HENDRIX,

President of the Board of Christian Education.

REPORT OF BONEBRAKE SEMINARY COMMISSION

We, the members of the Bonebrake Seminary Commission for the conference year 1932-1933, submit the following report:

Within a few days of the close of the annual conference last year, the Commission met and organized, with Mr. O. A. Stutz as secretary. Arrangements were completed at that meeting to provide for the presentation of the Seminary cause at all conference rallies in the fall. On behalf of the institution which we represented, we record hearty appreciation of the cooperation received from Bishop A. R. Clippinger, superintendent D. T. Gregory, and from nearly all the local churches of the conference.

One year ago we set the Miami Conference goal at $7,000, this goal to include gifts received from June, preceding conference. From the records of the conference treasurer we read success, in the following figures: Paid during present conference year $6349.43; paid just prior to last conference $1110.01; total paid during this effort $7459.44. Analysis of the response by churches and districts reveals the following facts; Three districts made one hundred per cent response; that is, Northeast Dayton, West Dayton, and Lewisburg. Eleven churches spoiled a possible perfect record for the conference and for their respective districts.

Since the recent General Conference opened the way for the speedy liquidation of the debt through a generous annual preferred claim, and through an additional allotment for current expenses; and since all contributions to the Seminary may be credited to the benevolence budget of the churches and conferences from which the gifts come; we therefore recommend:

1. That Seminary Cash Day, goal for Miami Conference be set at $8,000.
2. That each local church accept a Seminary Cash Day quota equal to fifteen per cent of its benevolence quota (fifteen per cent of the conference benevolnce goal would be $8,587.50).
3. That each church be urged to organize a chapter of "The Bonebrake

Seminary Auxiliary," which is an organization of women, who will assist in advancing the cause of our Seminary.

4. That we set ourselves to secure a perfect percentage of response to this worthy cause if not on Seminary Cash Day October 15, at least during the conference year.

Reports Relating to Personnel

REPORT OF COMMITTEE ON MEMOIRS

Harlan Loren Eakins was born March 12, 1908 in Highland County, Ohio, and passed out of this life October 9, 1932, in Cincinnati, Ohio. His boyhood was spent on a farm on the Danville Pike, seven miles southwest of Hillsboro, Ohio. He graduated from the Hillsboro high school in 1926.

For several years he was manager of a Kroger grocery in Cincinnati. Later he was employed in the Dayton Art Glass Company, and then as a contractor in glass setting in Cincinnati.

In the fall of 1931 he married Rev. Mary E. Holcomb. He felt a definite call to the ministry, and he and his wife were working together to prepare for service in the work of the ministry. Now, it falls to his wife to carry on alone in this preparation and service. His wife, his father and mother, and an aged grandmother are left to mourn his departure. His favorite verse of scripture was "Blessed are the pure in heart for they shall see God."

Elizabeth J. Hoover was born in Franklin County, Pa., November 13, 1861. She was married to Ellsworth Beam, who was killed in an accident in 1904. For several years she cared for her invalid mother.

In 1907 she was married to Rev. G. A. Wahl, whose four children she loved and cared for as her own. The three, who survive, honor her for the sacrifice that she made for them. She won their hearts by love and kindness. When she became a pastor's wife she adapted herself to that life and enjoyed it. She was interested in the work of the local church and the general work of the denomination.

After the death of Reverend Wahl, she settled in the community of the Oak Street church, united with this church and was a faithful member until her death. She lived beyond the three score and ten years, passing to her reward July 20, 1933. She was a life long member of the United Brethren Church. She was a good woman and a good neighbor. Surviving her are a son, Alfred Wahl of Los Angeles, California, two daughters, Mrs. K. T. Lowery of Brooklyn, New York and Christina Wahl of Dayton, Ohio and two grandchildren.

Mrs. Maude B. Miller, daughter of Mr. and Mrs. E. B. Whitmer, was born at Vandalia, Ohio, May 7, 1903 and died at Ava, East Africa, May 28, 1933, at the age of thirty years. She graduated from high school and then from the Grace A. Greene Normal School in Dayton, Ohio. She attended Miami University and spent four terms in Moody Bible Institute.

While a student at this institute she met Rev. Harry A. Miller. They were united in marriage February 7, 1930, at Ava, East Africa. Immediately

after their marriage they went to Rathi, in the Belgian Congo, where she assumed the task of instructing the children of the missionaries stationed in that district. She had a great desire to lift up Christ before the people of Africa. She was quiet, unassuming, with a pleasing personality. She leaves her husband, her parents, four sisters and a brother who sorrow because of her departure.

Professor Raymond P. Dougherty, Yale University Orientalist, a native of Lebanon, Pennsylvania, passed to the life beyond at New Haven, Connecticut at the age of fifty-five years. He was a graduate of Lebanon Valley College and Bonebrake Seminary. He earned his doctor's degree in Yale University. He served from 1904 to 1913 on our mission field in West Africa. He served at one time as U. S. Vice-Consul at Freetown, West Africa.

His work in oriental research gave him a place of distinction in the scholastic world. He was the William M. Laffan professor of Babylonian Literature at Yale, and also curator of the University Babylonian Collection.

He had chosen as his life companion Miss Lulu E. Landis, daughter of Dr. J. P. Landis of Bonebrake Seminary. He was a member of Miami Conference. A great and good man has departed.

Respectfully submitted,
W. C. NISWONGER, Committee.

THE CHRISTIAN HOME

The family is the corner-stone of the city and of the state, the nursery for the churches, the unit of society, and the sacred sphere in which ever-enlarging social life takes its rise. The family relation is the institution of God lying at the foundation of all human society.

The family occupies a prominent place throughout Scripture, is the first form of society, and has continued to be the germ and representative of every Christian fellowship.

The family is not an accident, not a mere commercial partnership; but a building reared by the God of love and blessedness, and filled with the fullness of his happiness.

From Christian homes come forth the saints of the church. Recall Samuel, Jeremiah, and John the Baptist who were sanctified from their birth. King Josiah knew the Lord when but eight years old. Timothy knew the Scriptures from a child. Baxter embraced the Savior when a youth; Jonathan Edwards at the age of seven, Isaac Watts at nine, Mathew Henry at eleven and Robert Hall at twelve. Is it not extremely important therefore that nations give attention to Christian training for their youth?

Out of the family comes the strength of the State and the glory of the church. If our households cease to be those of faith in God, both state and church will miserably fail of the plan of God for humanity. Amidst the varied complications and perplexities of our modern social life the example of Abraham is truly the only safe one to follow—Gen. 12:7, "And there he builded an altar unto the Lord."

W. T. FRANK, Committee.

THE CHRISTIAN SABBATH

In six days the Lord made heaven and earth, and all that in them is, and rested the seventh day; wherefore, the Lord blessed the Sabbath day, and hallowed it.

At the very beginning, when God finished his creative works of the heavens and the earth, he instituted a day of rest by blessing and sanctifying the seventh day, because he rested upon it. From that time onward, the Sabbath day has been a blessing, both physically and spiritually. Upon the first day of the week Jesus came forth, in resurrection glory, from the tomb. In memorial to this great and sacred event we have our Christian Sabbath.

It has been proved that more profitable work can be done in six days by manual laborers, business, and professional men who keep the Christian Sabbath than those who do not keep this sacred day can do in seven days.

Surely, the followers of Christ should honor their Lord's resurrection and life by observing the Christian Sabbath.

Let us all, as pastors and people of the Miami Conference, do all we can to help all men to remember the Sabbath day, to keep it holy, for it might well be said as goes the Sabbath day so goes our country.

J. ASSEL.

OTTERBEIN HOME

The history of Otterbein Home is quite well known to nearly all who read the Miami Conference Minutes. Like the stone cut out from the mountainside without hands, feeble in its beginning, has, through the generosity of friends in and out of the church and the blessing of God been growing and steadily going forward until it occupies a very large place in our individual and denominational life. The purchasers of this Home certainly added faith to sight. The impossible has been accomplished, by those charged with responsibility and will be repeated in days ahead. Caring for one hundred boys and girls and sixty-four old people and handicapped by depleted crops and a shortage of Christmas offerings and boxes, is a herculean task in itself. Great sacrifices are being made by most of the staff of workers, twenty in number, the majority of whose salaries are greatly in arrears, causing unrest and discontent. Their Christmas offering of five hundred dollars plus for the Home registers their faith in the institution and is challenged to most local churches.

In view of the shelter and sustenance that this Home has given to three hundred old folks and seven hundred children in its short history, and the possibilities that may unfold in the next twenty years, we hereby record our faith and resolve:

1. That we continue the minimum of one dollar per member for the Christmas offering and that we by no means slacken our effort because the offering does not count on the local benevolences.

2. That sermons be preached and literature distributed in the interest of the Home. Subscriptions taken for the Otterbein Home News. Information given and organization begun early will bring the best results.

3. That we heartily approve of "An Earnest Prayer" carried on the front page of the July issue of The Otterbein Home News by Debt Effort Committee and that it be read at an opportune time before every local congregation.

4. We regret very much that a mission of mercy by Dr. and Mrs. Funk, Mr. and Mrs. Young ended so tragically in Cincinnati on the afternoon of May 22, resulting in the death of Mrs. Funk, who had a great love and close attachment to the Home. We rejoice, however, to know that after months of careful nursing, Mrs. Young is at her post of duty giving full time and Doctor Funk is convalescing and gathering reinforcements in California and will be back before the snow flies giving himself unreservedly to the Home. We extend our heartfelt sympathy to all concerned.

5. We express our appreciation to the Executive Committee, to Dr. J. B. Showers, the contact man, to Dr. W. R. Funk, James M. Cogan, Superintendent D. A. Young and Matron Mrs. Young, for their valuable services and efficient management.

REPORT OF COMMITTEE ON MINISTERIAL PENSION

"What will I do when old age creeps in upon me, and I am expected to retire?" is the question that confronts most every middle aged man in the gospel ministry. "When I am old I cannot dig, I must not steal, to beg I am ashamed."

Again and again we have come face to face with God's noble men, heroes of faith; men who have given the very best of their lives to the gospel ministry, who are without adequate means to make them comfortable in their declining days.

Industrial organizations, public schools, and many of our larger church denominations have found it important that through some pension plan their veterans shall not be embarrassed as they look toward the setting sun.

If, as Doctor Shannon says, "The gospel ministry is the highest calling

this side of heaven," then it seems that our church, at its earliest convenience, should rally to the Preacher Pension Plan, and assist that noble layman, Prof. H. H. Baish, in bringing about that glorious day, when sorrow, sighing, and begging, among God's worthies, shall be no more.

We, therefore, recommend that our trustees study the problem and devise some plan whereby a part of our quota shall be paid during the coming year.

W. I. UNDERWOOD, Committee

BONEBRAKE SEMINARY

The Committee on Bonebrake Seminary submits the following report:

No institution sponsored by the United Brethren Church has more legitimate reasons for a just pride in its achievements than does Bonebrake Theological Seminary. For a period of more than a half century it has shone brightly in the galaxy of similar institutions scattered throughout America. During all its history the ideals of the founders have been sacredly maintained; those ideals being a high scholastic standing of its faculty; a superb scholarship attainment on the part of each student whose ideal aided his attainment; an outstanding religious atmosphere permeating the entire institution; and a contribution to the church of the finest type of leadership.

Notwithstanding such a noble record Bonebrake Seminary has been harrassed in the past by severe criticism from some members of the church. The principal source of such criticism has been a debt which cast its shadow over all the achievements of the institution. Some have felt the debt too heavy for the United Brethren Church to bear, and because of such resentment have been very harsh in their attitude toward the Seminary. At the recent General Conference steps were taken to speedily relieve the institution of this embarrassment and to curb any further progress of unfair opposition. We as pastors can go far in the promotion of this work by taking a sane attitude toward present plans.

The United Brethren Church today demands a thoroughly trained ministry. It is the task of Bonebrake Seminary to provide that leadership. Under the guidance and direction of the Great Teacher, the work of this institution shall move forward in an unprecedented manner.

Resolutions:

1. That each of us boost Bonebrake Seminary at every possible opportunity.

2. That every pastor of the conference uphold the hands of the Conference Seminary Commission in all its work and plans.

Respectfully submitted,

RALPH W. TINSLEY

REPORT OF THE COMMITTEE ON FOREIGN MISSIONS

The retrenchments on the mission field necessitated by our rapidly decreasing benevolence receipts are working serious havoc. Not only have several missionaries been detained, some prmanently and some temporarily, but even several pastors and deaconesses and a few mission institutions have been forced to cease their work.

The time has come for us as churches to call a halt on our retrenchment in benevolent giving and put a stop to our defeatism psychology; determine to at least hold the present lines in every case and in many instances make a challenging drive forward in benevolent giving.

As to our actual strategy, let us do at least these four things:

1. Let every church determine to raise its benevolence in full.

2. Let us use every effort to create attitudes of spontaneity, joyous sharing, and whole-hearted interest in the whole benevolence budget, knowing that the possibilities of Kingdom building through these very attitudes are even greater in the giver than in the given.

3. Let us make the most of mission education; utilize free literature, stereopticon and movie lectures, missionary representatives and mission books. Doctor Ziegler especially urges the use of "The Never Failing

Light," by Dr. James H. Franklin, for adults and "Builders of a New World," by Robert Bartlett for young people and intermediates.

This program of mission education should be vigorously promoted between February 1 and March 4. The special observance of Foreign Mission Sunday, March 4, should mark the high point of mission education in the local church.

4. Let us still more earnestly utilize the resources of prayer, to the intent that we may not only be led to think God's thoughts after Him in a larger way but that we may move in the direction in which he is moving in this generation.

Respectfully submitted,
WALTER N. ROBERTS, Committee

REPORT OF THE COMMITTEE ON PUBLISHING INTERESTS

The ability to create and possess a literature has always been the mark of a virile people. The development of a descriptive literature is a part of every worth while movement. The field of religion is no exception to these facts. Every sect has relied upon the printing press as a conveying medium for its message.

Among the earliest organized activities of our own denomination was to authorize the publication of "Zion's Advocate" under the direction of Miami Conference in 1829 and the subsequent action of the General Conference of 1833 which created a committee of three with authority to publish a religious paper for the denomination. On December 16, 1834, the first number of the "Religious Telescope" made its appearance and thus, 1934 should mark some centennial observance of this fact.

From these early beginnings we find ourselves possessing today a prominent, well-equipped and ably-managed plant for the publication of the religious literature needed by our church. In fact its usefulness extends beyond the limits of our own denomination.

As a committee, we would commend our churches in the use of our own literature and suggest to pastors and people that our vast publishing enterprise is a cooperative concern, as its net profits return to the benefit of retired ministers or their widows and children.

Let us stand by our Publishing House and its worthy Agent, Dr. J. B. Showers, selecting all our literature needs from its supplies and thus keeping all departments in efficient operation. Let us use it as our agency for securing book publications and other general supplies. In fact, we might consider the slogan, "Buy U. B.," as worthy of our serious attention.

Under the stress of a general price advance, let us remember:

1. To keep our orders properly filled, for to keep up business volume makes it more possible to maintain the most desirable price levels.

2. To pay our accounts regularly and promptly as this will help make possible greater economy of operation.

G. W. DUCKWALL, Committee

REPORT OF COMMITTEE ON HOME MISSIONS AND CHURCH ERECTION

When a church is organized it should mean that soon afterward a building should be erected and dedicated to the worship of God, and the spiritualizing and unifying of the interests of the community made a realization.

Many churches which might have been thriving and growing congregations are left discouraged groups because they do not have adequate church buildings to meet the needs of the community and constituency. Every conference reports these failures to measure up to the opportunities because the church building was too long delayed or the one erected was not planned to meet the demands of a modern church program.

Just as our body serves the mind and spirit, so the church plant should serve for the proper functioning of the spiritual life of the church.

The Home Mission task of America is a supreme challenge. There is no field or service which calls for more consecrated leadership and proper equipment. In the cities, suburban communities, towns, villages, and rural sections we have millions who need pastors with great, tender hearts, untiring energy, good judgment, and full of compassion. Ten thousand villages in the United States are without a church of any kind, Jewish, Roman Catholic, or Protestant. Many of these communities are sending their appeal to the United Brethren Church. What shall our answer be? These people are as sheep without a shepherd. They need Jesus the Great Shepherd.

In the spirit of Christ, and in fulfillment of His great commission to win the people of America to Christian discipleship, and Christianize the life of our nation, let us give our most earnest effort. To make the church available to those sections of America which lack its ministry, is a challenge to our consecration and devotion.

Our church program calls for a study of our responsibility and privilege in service. The month of November is designated as Home Mission month. Every church should plan for a study. Information will be furnished by the Home Mission office during the month. November 26 is designated as Home Mission Day, and wherever possible an offering should be lifted. This offering can be applied on the Benevolence Budget.

Respectfully submitted,

G. R. JACOBY

REPORT OF COMMITTEE ON LAW ENFORCEMENT AND PROHIBITION

Resolved that in view of the benefits derived from the Eighteenth Amendment to the family, the church, the state, and the nation, we here and now pledge ourselves, as pastors and people, to lead our voters to the polls November 7, and make Ohio the first State to vote against the repeal of this great and noble experiment.

N. L. LINEBAUGH

REPORT OF THE COMMITTEE ON STEWARDSHIP

Fifty-seven pastors of our conference ordered 1736 copies of "The Three T's," and more than twenty study classes were reported. Stewardship Sunday, the first Sunday in November, was observed more generally than ever before. 1476 tithers are reported this year as against 1096 last year. This was largely due to the enrollment of Christian Stewards as part of the denominational effort. Not much has been accomplished in securing Stewardship committees or secretaries in the local church.

The program for the coming year as recommended by the Board of Administration and the Board of Christian Education includes the following: (1) Observance of Stewardship Sunday on or near November 5. (2) Study of "This Grace Also," in prayer meeting or study class. (3) Reading of "The Sharing Life," by Bishop Cushman, and The Stewardship Packet for the year. (This packet contains a leaflet, "A Philosophy of Life That Works," that is worth the price of the packet.) (4) Use of the booklet, "They Dared to Do," by the young people.

It is dangerous to become interested in Christian Stewardship if you do not want to live the sharing life. This life requires faith and love but it brings rich rewards.

"God is able to give you an overflowing measure of every grace, so that all your wants of every kind may be supplied at all times, and you may give of your abundance to every good work. He who ever supplies seed to the sower and bread for the food of man, will supply and make plenteous your seed, and increase the harvest springing up from your almsgiving."—(From translation of Helen Barret Montgomery.)

MRS. M. W. MUMMA, Secretary of Stewardship

REPORT OF THE COMMITTEE ON EVANGELISM

It is our duty as well as our privilege to carry the Gospel to the last soul within our reach. Hearts are yearning. Souls are dying. There should be a mighty awakening in the program of evangelism in every church of our beloved Zion.

This program should begin with the preacher. His information and zeal should then pass to those in charge of the various departments of the church, until the last and least organization shall feel the responsibility for the lost soul who is a stranger to God. Evangelism proves effective only where wisdom and knowledge have been acquired through close contact with God and the Holy Spirit.

We submit the following recommendations: (1) An evangelistic committee in each church, who believe in and are willing to use the plan of evangelism as written in the Scriptures. (2) That a definite period be set apart in each month for the study of Evangelism and its relation to Stewardship. (3) That our prayers and aims be centered on a quickened church in the name of God. (4) That the slogan for the year be "Saved to Serve." (5) That a check-up on all reports on evangelism be submitted at each group meeting, the district leader being responsible for the display of such reports.

Respectfully submitted,
LEWIS G. LUDWICK

REPORT OF COMMITTEE ON RESOLUTIONS

We, your Committee on Resolutions, submit the following report:
Be it resolved:

1. That we express our gratitude to God, our Heavenly Father, for his many blessings during the past year and for the love, cooperation and fellowship of members and friends of the entire Miami Conference.

2. That we are most happy to be the guests of the Lagonda Avenue Church, of Springfield, Ohio, in this one hundred twenty-fourth session of the Miami Conference, and enjoy with them the fine spirit of brotherly love and good will so predominant throughout this entire session.

3. That we express our appreciation and loyalty to our Bishop, Dr. A. R. Clippinger, for his return to the Central Area, our fullest cooperation with our re-elected Conference Superintendent, Dr. D. T. Gregory, and district leaders. That we will with them do our utmost to carry out the conference policy.

4. That we pledge ourselves to continue our fight to check the onrushing forces of the liquor traffic and all immoral agencies, and that we favor the movement that is now on in the state as well as other states for the uniting of all the moral and progressive forces into one political party.

5. Inasmuch as the program of the church as handed down by our General Conference is intensively evangelistic and as we observe the dire need and distress because of sin in the world, that we in every church gird ourselves for such an advance on the strongholds of evil as will sweep multitudes of people into the Kingdom. To this end every agency of the church must be organized. No half-way measures will suffice. A deep spiritual fervor must obtain. As Paul urged, "I beseech of you, brethren, that ye present your bodies as a living sacrifice unto God, which is your reasonable service," and if we will heed the urgent request and the direct command of our Christ, "Seek ye first the kingdom of God," there will be no question of the result.

6. Since records show that the church has been reporting a decrease year by year since 1925 in General Benevolences, and there have followed dangerous entrenchments and actual hardships on the part of many of our workers, that we are a conference determined to slip no farther and shall set the quotas assigned as our goals for the next year. That the whole church be stirred to sacrificial giving and service that will result in a great victory.

7. That as the market for trained leadership and intelligence will never be overstocked, we heartily approve of both college and Seminary trained leaders in the vital work of the ministry.

8. That we support and cooperate with the Publishing House in the use of its literature, Bonebrake Seminary in the observance of Cash Day, and Otterbein Home in the Christmas offering.

9. That we look with favor and heartily approve the contemplated union of our church with the Evangelical Church and hope that it may be consummated at the earliest possible date.

10. That we desire to express our appreciation of the soul-stirring music presented by the Lagonda Choir, the Orpheus Male Chorus, the Lagonda Avenue Male Quartet, the German Mixed Quartet, the Conference Male Quartet, and by other members and friends of this conference.

REPORT OF THE AUDITING COMMITTEE

We, your Auditing Committee, have examined the books of the following: C. B. Boda, conference treasurer; M. W. Mumma, treasurer of the Miami Messenger; O. O. Arnold, secretary, and W. M. VanSickle,

treasurer of the Mutual Benefit Society, and M. B. Klepinger, treasurer of the Conference Board of Christian Education.

With the exception of one minor error we have found all, to the best of our knowledge, to be correct, and well kept.

REPORT OF COMMITTEE ON PASTORS' REPORTS AND RECORDS

We, your Committee on Pastors' Reports and Records have carefully examined and audited the successors' records.

We wish to commend the pastors upon the very fine records presented to conference, more than ninety-five per cent of them complying in every respect to the recommendations made in last year's report.

However, we still find some with names and no addresses, several records not numbered and a few more so poorly arranged as to make it extremely difficult to be used by a minister if the field were new to him. Records were checked with the statistical secretary and resulted as follows:

1. The following pastor's report with fewer names on the record than was reported to Brother Snyder. Aley—25.
2. The following have more names in the record than shown by Brother Snyder's reports: Union City +9, Cincinnati First +1, Olivet +1, Oregonia +1, Savona +1, Verona +1.
3. The following books were not in the hands of the committee: West Elkton, State Road, Brown's Run, Greenbush, and Hamilton Ninth Street.

Result net loss 13 members.

We submit the following recommendations:

1. Successors' records be typewritten if possible.
2. Records to have one name on a line and address opposite the name.
3. Names to be numbered consecutively.
4. Successors' records as required by the Discipline be used.

REPORT OF COMMITTEE ON POLICY

The Committee on Policy recommends the following:

I. EVANGELISM AND EDUCATION

1. That we stress personal and family devotions.
2. That in our evangelism we seek: (a) To build up the spiritual life of the members through a well-planned program of Christian instruction and practice. (b) To enlist the members in regular worship in at least one church service each week. (c) To conduct throughout the year a definite program of winning people to Christ.
3. That in our teachings of the Gospel we do not neglect to apply them to meet the present-day issues of economic and moral need.
4. That each pastor keep abreast of the times by reading during the year at least one recent book on Evangelism, Religious Education, Stewardship, Missions, Social Service, and Church Administration; and that he read from at least one professional magazine each month.
5. That we seek to enlist our members in the cause of good government through obedience to law, and that all church people exercise their right to vote.
6. That interest in General Sunday School and Christian Endeavor work be stimulated by a plan to be determined by the Board of Christian Education and submitted to the district leaders at an early date.

7. That definite encouragement be given to the churches for subscriptions to the reading of our church literature, especially the Religious Telescope and Miami Messenger, and that plans for such be left to the Council of Administration, and an attempt be made for the Religious Telescope and Miami Messenger clubs.

8. That a definite effort be made in each church to enlist the interest of the men and young people in our missionary enterprises of our denomination.

9. WHEREAS, the work of the ministry in our times is becoming increasingly difficult.

WHEREAS, we consider it a high and holy calling, second to none in its strategic importance in the building of a Christ-like civilization, the work of the teacher, doctor and lawyer not excepted.

WHEREAS, there was a wide-spread feeling in our denomination that our present standards for the ministry were entirely indequate.

WHEREAS, this feeling has been crystalized in the action of the General Conference at Akron, Ohio, in 1933, providing that eight years hence "all applicants for an annual conference license shall have the educational attainments of graduation from a standard college," and

WHEREAS, the General Conference has definitely instructed the various conferences, through their conference superintendents and Boards of Christian Education, to measure up to this educational standard, instructing them to make this a matter of business in each annual conference. (Of Discipline Ch. 6, Sec. 111, Article 3, paragraphs 4 and 5, page 53.)

BE IT RESOLVED THAT, we do all within our power to obey the spirit of this new legislation and make its ideals possible by requiring that all applicants for an annual conference license in the year 1935 shall have at least thirty-two units of credit from a standard college; in the year 1937 shall have sixty-four units; in the year 1939 shall have ninety-six units and by the year 1941 shall, as required by the Discipline, have a full standard college course. We shall accept such credits from any institution that would be acceptable to the registrar of Otterbein College toward graduation.

II. FINANCE

1. That we promote tithing and the consecration of life as the standard of Kingdom support.

2. That special recognition by way of commendable awards be given to the districts and through the district leaders to various churches in said districts making the best percentage showing on Benevolence quotas during the conference year; and that these awards be presented to said districts and churches at a special service in the next annual conference sessions. (Plans for figuring above mentioned "percentage" are to be presented to the district leaders at the first council meeting.)

3. That, in view of the fact that a large percentage of our churches find it impossible under present financial stringencies to meet their benevolence quotas in full, the conference treasurer be authorized to designate as star (*) churches, all that pay fifty per cent to seventy-five per cent on their quotas each month, and that churches paying seventy-five per cent to one hundred per cent be designated double star (**) churches and one hundred per cent paid each month be designated as (***) churches; the names of churches to be in bold type.

4. That we set ourselves to meet the goal of $8000 for the Seminary, in the Seminary Cash Day offering, October 15.

5. That an earnest effort be made in each church to have every wage earner contribute regularly to the financial support of the church.

6. That money received for benevolence and special causes be supplied without delay to the cause for which it was given and not be used for local expenses.

III. PASTOR'S DUTIES

1. That each pastor keep a record of church and Sunday-school attendance and report each month to the district leader.

2. That each pastor in his annual statement to the statistical secretary report: (a) Only the exact amount of cash received on salary. If he has thrown off an amount of his salary contract, so designate. (b) An accurate account of contributing members. (Note: This is understood to include parents and their children under twenty-one years of age where the parents make the sole contribution.) (c) Total cash gifts and estimated value of materials given during the year to the Otterbein Home.

IV. COOPERATION

1. That we give our loyal support to the Miami Conference Board of Christian Education Training School held at Xenia, Ohio, and to the Leadership Training School at Westerville, Ohio, by enlisting Sunday-school teachers and young people to attend.
2. That we cooperate with all Christian interests with which our denomination affiliates.
3. That churches be urged to cooperate with their pastors; that churches and pastors cooperate with district leaders and conference superintendent; and that all of these unitedly cooperate with the Bishop and the general interests of the denomination in the promotion of Kingdom interests.

PLANS FOR PROMOTING OUR POLICY PROGRAM

Three phases of our policy program are considered herein, and the recommendations are for its fullest possible realization. In recognition of attainments and diligent efforts along the lines of Sunday school, Evangelism, Worship, Stewardship and Benevolences, we recommend special honor be given the districts that make the best record this year in these phases of work as compared with their own records of last year, and that awards (as mentioned herewith) be presented to the district leaders who in turn will present same to the winning churches in their respective districts (as set forth below), and that an hour for this special service of recognition be fixed in the next annual conference session.

EDUCATION AND EVANGELISM

Sunday School. That we seek to make our Sunday schools more effective by (1) enrolling and teaching the largest number possible; (2) winning the greatest number possible to Christ and the Church. The award to be fifty copies of "The New Hymnal for American Youth." Recognition as winner to be based on (1) average attendance as compared with that of last year; (2) number won to Christ and the church out of the Sunday school.

Example—Say the average Sunday-school attendance for the district last year was 2,500 and that this year it should be 3,000. This would give a rating of 120 per cent. Then, suppose the number won to Christ and the church from the Sunday school last year was 200 and that this year it should be 250. This would give a rating of 125 per cent or a total rating of 245 per cent.

WORSHIP

Worship Service and Spiritual Development. That we seek to interest as many of our people as possible in regular attendance at worship and in reading our literature. The award to be fifty copies of "The Sanctuary Hymnal." Recognition as winner to be based on (1) average attendance in worship services as compared with that of last year; (2) number of additional Telescope subscriptions above the number reported for last year.

Example: Say the average morning worship last year was 1570, and this year it should be 1650. The rating would be 105 per cent. Say the evening average last year was 932, and this year it should be 1000. The rating would be 107.3 per cent. Then for every additional Telescope subscription above the number reported for last year there be given ten per cent. Now suppose the district realizes a total of twenty-five additional subscriptions. This would give a rating of 250 per cent, or a total rating for the district of 462.4 per cent.

FINANCE

Finance and Stewardship. That we seek to cultivate soul-enrichment and growth among our people by (1) diligently promoting the work of Stewardship as it will be set before us by our Stewardship Committee at the fall rallies; (2) larger and more systematic contributions monthly to our denominational interests represented in the benevolence budget.

The awards to be $60 and $40 respectively to the first and second districts making the best records as compared with that of last year, these in turn to be divided by the district leaders as follows, and presented to the three leading churches in their districts: $25, $20, and $15 to the leaders in the first district; $17, $13, and $10 to the leaders in the second district.

Recognition as winners to be based on (1) percentage of the quota paid last year; (2) the amount paid this year as compared with the amount paid last year.

Example: Say the district paid 67.94 per cent of its quota last year. It has this percentage rating with which to begin. Then suppose it should pay one-fifth as much more this year. Its rating on same would be 120 per cent. This would give the district a total rating of 187.94 per cent.

Note: We recommend that churches be rated on the same basis of scoring with this additional percentage advantage—that where a church pays its monthly quota in full each month it be given five per cent, and that where a church pays 60 per cent of its quota for the month (as set forth in the policy) it be given three per cent. Thus any church can add 60 per cent or 36 per cent to its rating by making prompt payments monthly.
